(A) Starred Questions treated as Unstarred.

Necessity for appointing Agents to check Buses of the Road Transport Department.

*Q.—73. **Sri T. HANUMIAH** (Chitaldrug District—Depressed Class).—

Will the Government be pleased to state:—

(*a*) the average daily collections of the Mysore Road Transport Department during the period of the following Managers:—

(i) Sri K. M. Narasimhiah,
(ii) Sri Venkataswamy,
(iii) Sri Puttarangaswamy,
(iv) Janab Khaleel;

(*b*) whether they are aware that intensive checking of buses have brought more collections per day in the present General Manager's period;

(*c*) whether it is not necessary to appoint agents at intermediate places with power to check the buses?

*A.—**The Hon'ble Sri H. SIDDAIYA** (Minister for Revenue and Excise).—

(*a*) (i) Sri K. M. Narasimhiah—Rs. 3,500 (12-9-48 to 17-4-49)—(72 routes).
(ii) Sri Venkataswamy—Rs. 7,950 (18-4-49 to 17-2-50)—(172 routes).
(iii) Sri Puttarangaswamy—Rs. 8,035 (18-2-50 to 11-12-50)—(170 routes).
(iv) Janab A. S. Khaleel—Rs. 8,680 (12-12-50)—(168 routes).

(*b*) There has been intensive checking of buses. But the figures of average daily collections given in reply to (*a*) would not be a correct basis for appraising the work of the respective General Managers as it should be noted first that the number of routes has not been constant during the period. For the purpose of assessing whether there has been a real improvement in collections, the average earnings for a period of 12 months at least should be taken as that would include seasons of high collections such as jatras, fairs and marriages and other seasons of normal traffic.

(*c*) This will be considered.

(*c*) whether plans and estimates for constructing buildings for the Intermediate Colleges have been prepared and approved by the Government; whether

any programme of construction has been adopted in the matter;
